

Brief Profile of Apoorva Agha

Born in 1962 to a Kashmiri family of Allahabad, he did his initial studies at Bhilai, where his father was serving as an Automobile Engineer at the Bhilai Steel Plant. After completing his MSc Physics with Electronics from Ravishankar University, Raipur in the year 1985, he joined his first service at Bhilai Steel Plant and later on shifted to his hometown at Allahabad in the year 1986.

Initially, serving the Allahabad University for six years at the JK Institute of Applied Physics & Technology, he switched to Allahabad High Court in the year 1993. During this time, he also completed his Master of Engineering from MNNIT, Allahabad and MBA from IGNOU, New Delhi alongwith a couple of other PG Diplomas in Computer Programming and Systems Analysis. Since then, he has been heading the Computer Centre of Allahabad High Court as its Incharge, which by now covers computerization of its Bench at Lucknow and the 75 District Courts of Uttar Pradesh.

He has a small and a complete family, with his wife who hails from Indore, a son and a daughter, and lives with his mother at their more than 100 years old ancestral bungalow at Allahabad. He is a passionate lover of music and gardening, and maintains a beautiful garden at his bungalow where he produces cereals such as wheat and maize, pulses, vegetables and fruits using organic farming skills to supplement his kitchen requirements.

As Fellow and Senior life Member of Institutions such as, Computer Society of India, Mumbai, Institution of Engineers (India), Kolkata, Institution of Electronics and Telecommunication Engineers, New Delhi and All India Management Association, New Delhi, he is actively involved in organizing and participating in technical events such as Seminars, Conferences, Workshops, Exhibitions and special Days etc. at these and other institutions since last around 30 years. During this span, he has held various positions of Member, Hony. Treasurer, Hony. Secretary and Chairman/President in the Executive Committees of these and some other social institutions from time to time at the local, state and the national levels. He is also blessed by his revered Guru, Swami Awadheshanand Giri Ji of the Juna Akahra since 2003 and other realized saints and fakirs of high order. He travels extensively across India for his technical and spiritual pursuits and has visited almost all the cities and siddha shrines of the country.

For his future, he looks forward to engaging himself in bigger technical and spiritual pursuits for the benefit of his country and mankind in particular to accomplish a purpose and justify life.
